“Mario presented an incredibly generous amount of dance knowledge in a very understandable fashion and also gave us methods in which to master and develop the knowledge over time. As a teacher, I am looking forward to, and excited about, sharing my new found knowledge with students.” Tim (Cleveland)

“If anyone ever gets the chance to take this intensive, it's WORTH IT!! No matter how many titles, you can NEVER be your BEST and you can NEVER stop LEARNING... Mario has been our choreographer for 7 years and we couldn't do it without him... What a great opportunity to truly learn how he does it...!!! Thank you Mario for preserving "The Dance" and giving credit to those who gave it to YOU!!! You ARE "The King of Swing" and always will be.” Kellese Key (Dallas)
